Our Priority: Safety First

A parent's first concern when choosing a day camp for their children is safety. At MAPLE GROVE FARM, we place your child's safety as our first priority. The children are continually supervised as they rotate through daily events over our seventeen acre farm, maintaining a ratio of one adult for eight children.

Additionally, specialized supervision is provided for activities such as swimming - lifeguard on duty every afternoon, horseback riding - one adult for every two children riding, pontoon boat - one adult for every eight children. Life jackets are worn by all children.
